

#2805

Local Area Businesses

The North Hampton, NH Seacoast H.O.G. Chapter #2805 is a non-profit organization that annually raises money and contributes to local area charities. Over the past 24years (since 1985), we have been sponsored by Seacoast Harley Davidson Motorcycle dealership, currently located on 17 Lafayette Road US Route 1 in North Hampton, NH.

Our membership consists of approximately 500 members who mainly reside in the seacoast area of Maine, Massachusetts and New Hampshire. We are asking local area businesses in the area to join us in a combined effort to help us continue our work in assisting those organizations in and around our communities that help those who are less fortunate.

This year we are sponsoring our 14th annual “Ride For the Animals Poker Run”, to benefit a local area animal charity. Our goal is to help raise money and promote awareness for this cause. This year’s 2009 recipient is the Working Dog Foundation located at the Pease Trade Port. In order to make our Animal Ride event a success we are seeking donations in the form of raffle prizes or cash to purchase prizes. We can supply you with a receipt for your charitable contribution upon request. Your contribution will help to promote our event and encourage participation, thus helping us to contribute to this worthy charity on a greater scale.

Thank you for your consideration.
